

FY 2007 Audit

The Annual Financial Report presents the financial position of the City as of June 30, 2007, and the results of operations for the fiscal year then ended.

The financial statements and supporting schedules have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and meet the requirements of the standards as prescribed by the Secretary of State.

The City represents that the financial information is accurate in all material respects and is presented to reflect the financial position and results of operations of all City funds.
